7 April 2014
Attn: The Principal

Dear Principal

GRANVILLE INTERCHANGE CONSTRUCTION WORK

We have been advised by Transport for NSW that construction of the new Granville Bus Interchange is about to commence, so this will result in some temporary changes to bus stop locations at Granville Station for a number of months.

Commencing Thursday 17 April, Stands 1 and 2 at the old Granville Interchange will be closed and will be temporarily relocated to Mary St as follows:

- **Stand 1** will be on the eastern kerb of Mary St for Route M91, 906 and S2 buses operating towards South Granville, Guildford, Fairfield, Chester Hill, Bankstown, Hurstville and school specials serving schools south of Granville.

- **Stand 2** will be on the western kerb of Mary St for Route M91 and 906 buses operating towards Harris Park, Parramatta and school specials serving schools north of Granville.

I would appreciate it if you could kindly include details of these changes in your next school newsletter and include the suggestion that students should take care when crossing Mary St.

If you require any further information do not hesitate to call our office on 8700 0555.

Thank you for your co-operation.

Yours faithfully
